

Mom's Radiatore with Cream Sauce

Cook Raditore according to package directions.

1 package Alfredo Pasta Sauce

Cook Alfredo Sauce in large saucepan according to directions.

While simmering add:

½ stick of Butter

½ pt. Heavy Cream

½ Cup Parmesan Cheese

Sun Dried Tomatoes

Cook to slow boil ~ Add 1 cup prepared spaghetti Sauce (I use Ragu) and Sun Dried Tomatoes or you can serve the Sun Dried Tomatoes on the side and use as garnish. Let simmer. Serve over Raditore Pasta.

If sauce is too thin thicken as you would gravy. But, it should thicken as it sits.
